EDUCATION

B.Tech in Computer Science and Engineering,

Indian Institute of Information Technology, Una, H.P

2023-2027

Higher Studies,

Annie Besant Int. School, Patna

92.4% | (2020 - 2022)

10th,

Army Public School, Danapur Cantt

92.0% | (2020)

PROJECTS

Holidify Clone.

(HTML, Tailwind CSS)

- Cloned the Holidify travel landing page.
- Enhanced skills in front-end development and responsive design.
- GitHub repository : ([GitHub](#))

Cloned projects.

(HTML, CSS, Tailwind CSS)

- Developed five projects including a hospital website and NFT landing page.
- Projects include a hospital website, bike landing page, NFT landing page, and more.
- Improved proficiency in HTML and CSS/Tailwind CSS.
- GitHub repository : ([GitHub](#))

Temperature and Humidity Sensor Project.

(Arduino)

- Built a monitoring system using Arduino Nano, potentiometer, THT sensor, and LCD display.
- The system measures temperature and humidity with deviations of $\pm 0.5^{\circ}\text{C}$ and $\pm 2\%$ RH.
- As part of my 2nd semester practicum at IIIT Una, I developed real-time data display, spending over 50 hours on development and testing.

TECHNICAL SKILLS

Languages

Java (Data Structures and Algorithms), C, JavaScript (Basics)

Front-end Technologies

HTML, CSS, Tailwind CSS, JavaScript (Basics)

Developer Tools

VS Code, Git, GitHub

Soft Skills

Problem Solving, Hard Working

ACHIEVEMENTS & EXTRA-CURRICULAR ACTIVITIES

- **Badminton Enthusiast:** Regularly available at badminton courts. Won 10 medals at the IIIT Una sports fest (Yalgaar) – 2023.
- **Hackathon Participation:** Participated in a Hackathon conducted by the FORCE club during the first year.
- **Journal Writing:** Dedicated to writing journals, maintaining a reflective diary that fosters both emotional introspection and personal growth.

POSITION OF RESPONSIBILITY

- **Member, FORCE Club:** Contributed to hackathons and technical workshops, fostering a collaborative and innovative environment among peers.
